

# Combo DB15 LCD Console Drawers – High Resolution

Optimize rack space. Maximize rack monitoring

## Optional Remote IP Access

- An expansion slot allows you to add an optional KVM over IP module to enable remote access to your servers.
- Gain BIOS level access to your servers for system maintenance, support or failure recovery via secure SSL authentication and encryption.

The Anso range of LCD console drawers provides a variety of features that simplify to access servers to making system monitoring, troubleshooting and software upgrades.

The self-locking rails when in the fully extended open position and the ultra-convenient auto lock release when the LCD panel is closed, make for simple and hassle free operation.

Available with 17.3" A-Grade LCD panels, combo DB15 single, 8 or 16 port integrated KVM switch & with an option remote IP console.

## Features

- Support combo interface, VGA-USB & VGA-PS/2.
- Durable 104-key keyboard and touch pad.
- Quick and simple installation.
- Self-locking and auto release rails for ultra-convenience.
- Port selection via push buttons or On-Screen-Display (OSD).
- Dedicated daisy chain port to expand up to 240 servers.
- Access Control List (ACL) security function for up to 8 independent user accounts.
